

## Canva

**App:** Yes (IOS only)

**Website:** <http://canva.com>

**Cost:** Free (some elements cost)

**Accounts:** Google or email

**Reporting:** Can be downloaded PDF or JPG. Share with link (view or edit) and embed

**Notes:** Must have internet. Cost elements; age 13 recommended for accounts due to social media tie-in

## Summary:

Canva is a great tool for design for teachers and for students. Canva provides many design elements such as backgrounds, images, layouts, and text features for free. Other elements are provided at a cost. Users can also upload their own images. Canva projects are easily sharable through social media and can be downloaded as well.

## Ideas:

- **ELA:** Storymap, holiday card, character trading cards
- **Math:** Infographic, word problem models
- **Teacher use:** Newsletter, posters, graphics for website, presentations, social media posts
